Get Together:
Fiesta Aquisgrana

On Thursday, April 7 2005, a "Get-Together" will take place in the exhibition hall subsequent to the last symposium slot of the 5th DGP-Congress. This Get-Together will connect the DGP-Congress and the EAPC-Congress. It is a forum for acquaintance, exchange and contact.

It will start with an opening cocktail in the exhibition hall. After the cocktail enjoy a dinner (starting at round about 20.00) in a relaxed and unformal atmosphere.

Later in the evening let yourself surprise by an amazing programme which will provide an spirited conclusion of the DGP-Congress and a befitting prelude to the EAPC-Congress.

Do not miss this splendid opportunity and reserve your Thursday evening for this occasion!
